LUBIN TO SCORE IN FOURTH EVENT

Elliott Horse May Add Another Purse to Stable's Bank Roll at Delmar.

LACY CRAWFORD MAY WIN. GAY FILLY WINS

Lasso Looks Capable of Beating Her Field in the Closing Event and Varro Should Be Second.

Considering his good performance on his last out, when he ran a creditable race scored a victory over a fair class field, Lubin may add another purse to the bank roll of the Elliott stable to-day.

The Elliott horse has been doing well hould hardly be affected by his weight. The distance is the sole point which may count against him. Lubin seems to prefer a longer route, and the shorter journey may militate against his chances.

Extol has been running consistently handy sort of performer and has run this afternoon he should not be worse than second.

Neversuch may get the show end of the purse, although Flora Willoughby should be a contender here. Orient has run a d race or two, but seems a trifle out

In the fifth another good field is presented. Lacy Crawford and Lady Strathmore should fight out the question of su-

The disease got a firm hold upon my system; my blood was thor-oughly poisoned with the virus. I lost in oughly poisoned with the virus. premacy, with honors going to the Chinn entry. Sam Craig may be third. In the closing event of the day Lasso may score. The Lemp mare probably has the better class of this field and should win this afternoon. Varro generally runs a good race when handled rightly, and should be close up at the end. Insolthrift is lightly weighted and may be a contender here.

Monaco Maid should defeat Arlena in the sixth race, despite the good performances shown by the Lawson filly. Zinda should prove a disturbing factor here, as her early speed will enable her to trouble Arlena. This will leave an opening for Monaco Maid to come on and win.

In the opening race George T. should surely win. This seems a good sort of youngster and he looks capable of taking the measure of Aten and Dromio. Tangible may score over Tom Mankins and Mint Bed in the third.

DELMAR FEATURE

Footlights Favorite Manages to Squeeze Home Ahead of Commodore and Ice Water.

By the narrowest of margins and after taking the worst going through the stretch. Footlights Favorite won the fourth event at Delmar yesterday from Commodore and Ice Water.

Letting her opponents lead the way into the straight, coming with a rush in the final furlong and just managing to in his work, looks in good shape and squeeze through an opening in the last fifty yards, Footlights won the first money for her stable by getting her nose over the line an instant before Commodore reached the finish.

That the Gay filly was best at the distance there is little question. She enough to get second mention. He seems came in the softest footing near the rail and scored after forcing her way past to good form up to date. If he can repeat | Commodore and after standing a hard drive to the wire. Yet had Howell been able to help the Milam 3 year old, a dif-

able to help the Milam 3 year old, a different story might have been told.
Howell was in the lead when he turned for home and had the choice of the going. He could have shaved the rall, which would have made Footlights take the longer route, and would almost certainly have won in that case.

Moreover, the boy was carrying so much dead weight in his saddle pads that he could help his mount but little. Under the circumstances, the best horse won and Footlights deserved the honors she scored.

the circumstances, the best horse won and Footlights deserved the honors she scored.

Korea won a handy enough race in the third event, beating Borak and Sand Bath rather nicely. The Hayes filly had her usual burst of speed in the early stages, outran her competitors before the stretch turn was reached and had a winning margin after turning for home. Borak swerved in the stretch, but hardly seemed capable of overhauling the leader, in any event.

Chris Schawacker put over two winners in the opening races by scoring with Passive and Ben Lear. Ben ran a much improved race over his last start and came to life rather suddenly. Algonquin took the long route turning for home and lost considerable ground. J. Conway put up a very bad ride on Fenian. Judge Murphy cautioned him to put more life into his work in future.

Canyon ran in bar plates in the fifth and showed an increased turn of speed, easily getting first money from Dawson. Birdwood got third money by a comfortable margin.

In the last race, Triple Silver scored again by winning rather a handy contest from Felix Mozzes and Tribes. Whiskers did not run his race in this event.

J. C. Milan had a bad turn of luck in the betting way yesterniay, as he wagered quite heavily on both Belle S. and Commodore to win their respective races. Jockey Rice was on Belle S. and handled the filly in rather weak fashion.

ROME RESPASS MAKES A KILLING. Backs His Green Colt J. Ed. Grillo for Thousands at Worth.

HIGH-C. B. C. GAME DECLARED OFF

Grand Avenue Eleven Not in Condition to Play-Washington Meets Rose at Stadium To-Day.

Only one game of football instead of tw as originally scheduled will be played this afternoon, the High-C. B. C. game being called off by the former eleven as a result of the players not being in condition. Washington University will play Rose at the Stadium beginning at 3 o'clock. Coach Boynton's men had their final work-out and instructions for the game yesterday at League Park.

Munroe, a new man at the Washington U., reported for duty a few days ago and Coach Boynton was so pleased with his work in practice that he has decided to give him a try-out in to-day's contest. He will be placed at right end.

He will be placed at right end.

Schaumberg will play right tackle instead of Lehmann, who will be retained but not worked until he becames more hardened. Schaumberg replaced Fritz in last Wednesday's game with Shurtleff when the former retired. Schaumberg did his work nicely at tackle and will play that position to-day.

Sherman will hold down right guard while Captain Sassell will play center. Yates and Lucky will play left guard and left tackle respectively while Weiss will be placed at left end.

Stuttle will go into the game to-day, the first time of the season. He will play at his last year's position of quarter and will likely hold that position the remainder of the season, as he is by far the best man at this position at the university. Krause at full. Smith and Lewis at right and left half will complete the make-up of the team.

High School, with plenty of material and coach, should now show signs of making a good team. They have been at eactice for two weeks but have done lit. tle, and this was the cause of their calling off the game with C. B. C. this afternoon on the college campus. The game, however, will be played later in the sea-son and both sides should be satisfied, as the Cote Brilliante team, with several players on the shelf, is not in the best condition.

Mr. Bryan, principal of the High School, has complete charge of the football doings of the school this year, and last week secured the services of Coach Walker. He is from Knox College, Galesburg, Ill., and began work with the team Monday.

From present indications he is working the boys hard, but they rather like his system, and, although they are bumped in practice, they are going hard after the game.

in practice, they are going hard after the game.

Only three of last year's players are back on the squad. Weber, captain, played left half on the 1903 team and will also play the same this season. Dave Lamb, the chubby High School student, will again play left tackle, and he, with Bock, who plays right tackle, form the weighty part of the team.

This trio figured on High's team in 1903, and around them will be built the 1904 team.

and around them will be team.

Of the new men Lynch, who played with High two years ago, is the most promising player at full. Sherry is being tried out at quarter and has shown best form at that position.

Harry Castlen, who subbed a year ago, will probably hold down right end. Smith will be on the opposite end, in all probability.

Pleper, who figured in several of the Pieper, who lighted in several of the games last year, is being tried out at right guard. Donovan at center and Wetstein at right half will probably, with few exceptions, make up the High team.

They will play their first game of the season next Saturday, when they meet McKendree.

Happy Jack Chestro's spit ball proved oo much for the Browns yesterday and New York won the game by the one-sided score of 6 to 0. This makes the thirtyfifth consecutive inning that St. Louis has gone without a run, Boston and New York each having scored a shut-out against McAleer's men on Sunday and Monday, and last Saturday the Browns did not score a run after the first inning. Glade opposed Chesbro on the firing line, and a bad throw by him to the plate in the first inning practically gave the visitors their first three runs, as both Keeler and Williams scored on the error and An-

later on a single. Although the locals made three hits in Although the locals made three hits in the second inning and Chesbro tossed in a wild pitch, there was nothing doing.

In the ninth inning St. Louis again looked to have a chance to break through the kalsomine, but Hynes and Jones were unable to do anything with the spit ball, with the result that the locals went run-

New York put up a splendid exhibition of baseball and showed remarkably better form than they did on their last trip to St. Louis. Williams played second in a manner in which that bag has not been covered since the days of the famous Fred Dunlap. Eiberfeld also covered acres of territory. In fact, the entire New York nfield played an exhibition that has sel-

dom been surpassed in St. Louis.
"Billy" Keeler, the Brooklyn torpedo. exploded three hits in the course of the afternoon, his work with the bat easily being the feature of the visitors' playing in that department

After the erratic first the visitors did not score again until the eighth inning, when doubles by Williams and Anderson netted to the visitors a tally.

Griffith's men scored two in the ninth on Conroy's single and errors by Moran and Hynes, followed by Daugherty's force of Kleinow and Keeler's two-bagger. The score:
